- It is the responsibility of the Parent/Guardian to ensure that the student arrives at the designated bus stop punctually and is collected at the scheduled time. The school transport will wait for a maximum of **2 minutes at each stop**; in the event of a delay, the Parent/Guardian will be responsible for arranging the student's transport.
- It is the responsibility of the Parent/Guardian to inform the person responsible for the school transport service in good time whenever the student will not be using the service, particularly when the student will be collected from school by the Parent/Guardian or an authorised person, or when they have permission to leave the school by other means.
- We kindly ask for your understanding regarding the need to adhere to the scheduled times, as any individual delay will have an impact on the remainder of the journey.
- Students may only be handed over to the persons listed on the Liability Form. Any other person not named on the aforementioned form must be notified to the School in advance.
- Throughout the academic year, occasional delays to the transport service may occur due to traffic or other circumstances beyond our control.
